RE: WEST CHESTER FRIENDS SCHOOL

Dear Dave,

As you may have known Delran Builders was awarded the ABC Award of Excellence for Commercial Projects in the \$5-10 Million Dollar category for 2008. Enclosed you will find a certificate from ABC for your participation in success of this project. The job was run professionally and successfully in large part to contractors such as yourself.

We are proud to have been honored by our peers for this project and wanted to take the time to thank you for your contributions. We hope to work with you again on more successful projects.

Sincerely,

DELTRAN BUILDERS COMPANY, INC.

Mark McMahon
Vice President
